Reading Plan Options

This journal contains a reading plan that takes you through the whole Bible once (and the Psalms twice). You can modify the plan according to how much time each day you can devote to Bible reading:

1. **25 minutes per day** - Read the plan as is. You will read one Old Testament (OT) passage, one New Testament (NT) passage, one Psalm, and one Proverb each day.
2. **15 minutes per day** - Leave out the OT passage. Instead, just read the NT passage, the Psalm, and the Proverb.
3. **10 minutes per day** - Read the NT passage and the Proverb.

Plan 2 might be the best for those who are just beginning. In addition to the Bible reading time, the journaling time will take about 10 minutes.

The reading plan in this journal is taken from a resource called The One-Year Bible. Publishers have simplified the process by arranging a Bible by its daily readings. You can purchase The One-Year Bible at a local bookstore if you desire, or you can just look up the Scriptures in your own Bible.

How To Use the S.O.A.P.S. Journal method

This journal is a super practical way to listen to God and talk to God. Let's walk through some suggestions on how to use this journal most effectively in your daily journey with God:

1. **Gather six crucial materials:**

- (a) **Your Bible** – This is God's Word and is a major way that God will speak to you.
- (b) **A pen** – For underlining things in your Bible that speak to you and for writing in this journal.
- (c) **This journal** – This contains a Bible reading plan and a place to journal using the S.O.A.P.S. method.
- (d) **Your prayer list** – If you don't already have one, then you can use the pages dedicated to prayer in this journal for that purpose.
- (e) **Your calendaring system** – This helps prevent distractions. If in the middle of your quiet time you remember something that you need to do, jot it down in your calendaring system and then forget about it.
- (f) **Time** – Set aside 30 minutes to get alone with God using this S.O.A.P.S. method (20 minutes to read; 10 minutes to journal).

- ## 2. **Read today's Bible passage** – Turn to the Bible Reading Plan in this journal and look up today's date. Say a short prayer asking God to speak to you, and then read today's chapters from the Bible. As you read, underline verses that jump off the page at you. Write a note in your Bible if you like. (Note: If you use this plan every day, you will have read through the whole Bible in a year including having read all the Psalms twice. Way to go! You can do it! If you miss a day, don't get discouraged. Always read TODAY'S passage. If you have extra time, then you can go back and read a passage you missed. Don't stress out. Just read today's passage. If you do this, you will probably end up reading more of the Bible than you ever have. Don't quit. Keep going!)

- 3. Journal using S.O.A.P.S.** – This is a simple acrostic developed by a pastor in Hawaii named Wayne Cordeiro. It is very simple and can be done in 10 minutes. Here’s how you do it. Go to a blank page in the journal. Write today’s date on the page. Give the page a page number. Write down the chapters that you read today. Then, do S.O.A.P.S.
- (a) **Scripture** – Pick one verse that really spoke to you in today’s Bible reading. Literally hand write out that verse. Writing it out reinforces it in your mind and heart and allows God to further speak to you through that verse.
 - (b) **Observation** – Now write a one or two sentence observation about that verse. What does the verse mean? What is the verse saying? (See example on next page.)
 - (c) **Application** – Now write a one or two sentence application from that verse. What is something that God wants you to do, believe, receive, say, stop doing, or change your thinking on because of that verse? (See example on next page.)
 - (d) **Prayer** – Now write a one or two sentence prayer to God in response to this Scripture. Perhaps ask God for help in applying the verse. Confess a sin that was brought to light, or thank God for something He said to you. Write a short prayer.
 - (e) **Share** – Pray: “Lord, who do you want me to share this with?” And then, share today’s scripture with the person God prompts you with. Perhaps take a picture of your SOAPS journal and text it to someone.
- 4. Title the page** – Take a second to give that page of your journal a short title. One or two words that will help you remember your encounter with God’s Word from today.
- 5. Record this in your table of contents** – Now turn to the front of the journal where the table of contents is. Record the date, key Scripture verse, title, and page number for today. If you will consistently do this, then you will have a summary record of all your encounters with God’s Word in this table of contents.
- 6. Pray spontaneously** – End your quiet time with some spontaneous talking to God. Talk to Him like you would a friend. Thank Him for things. Ask Him for things. Perhaps use the prayer list page in this journal as a prayer prompt. Talk to God.

Way to go! You just spent time with God! Do it again tomorrow.

Cry Out to God

3

S Judges 16:28 – And Samson cried out to God...

O It's never too late to cry out to God! Samson's immoral and ungodly and unwise behaviors led to his being captured and imprisoned and enslaved with his eyes gouged out. Yet, it's never too late to cry out to God, and Samson killed more of Israel's enemies in his death than all of his life (16:30)

A Jim, cry out to God all the time. Don't wait until a dire situation or the end of your life. Cry out to God as a lifestyle!

P Oh Lord, I cry out to You to help and to lead and to guide and to empower my life and ministry. I cry out for...

- Supernatural help with P.
- Supernatural help with Lisa's back
- Supernatural help with work, leading, preaching

I love you, Lord! I worship You! I praise and thank You for all of Your benefits including salvation, healing, lifting me up. Please fill me!

S Lord, who should I share this with?

S Acts 20:35b – You'll not likely go wrong here if you keep remembering that our Master said, "You're far happier giving than getting".

O Paul's farewell address to the Ephesian elders includes a reminder of Jesus' words: "It is better to give than to receive".

A Jim, be a generous giver of your time, money, words of affirmation, acts of service, touch and gifts.

P Oh Lord, help me give generously. Please fill my tank that I may have plenty to give others. Please help us with T.

How To Use the Bible App as your quiet time method

To use the YouVersion Bible App as your quiet time method, follow these steps:

1. Download the YouVersion App:

Go to the “App Store” on your smartphone or tablet. Search “Bible App.” There will be many options to choose from. We recommend downloading the YouVersion Bible App from Lifechurch.tv that has the icon you see on the top left of this page. It is FREE!

2. Click on “Plans.”

Find the plan you want to use. We recommend the “Whole Bible” plan of “The One Year Bible.” That is the plan contained in this journal and that many of your Grace Fellowship friends are using. The Bible App has a sign-in process, but they do not send you a bunch of emails.

3. Start reading or listening to the Bible every day.

4. Consider using the S.O.A.P.S. Journal method as a way of reflecting on what you are listening to or reading.

Grow and Go!

**Father, grant me power by Your Holy Spirit to love Jesus like
You love Him (John 17:26)**
